Waipara Wine Tour including lunch

1 OCTOBER 2026 – 30 SEPTEMBER 2027

Begin your journey from Christchurch with a pick up from the Central City Tram Stop (#2 Cathedral Square) at 11:30am and travel north through rolling farmland into the heart of Waipara Valley, one of New Zealand's most distinctive cool-climate wine regions.

Explore a curated selection of boutique wineries such as Waipara Springs, Torlesse, Pegasus Bay, or Georges Road, each offering a unique atmosphere and personalised cellar door experience. Included in your tour is a beautifully presented individual platter lunch. Sample at least 15 wines across varieties including Pinot Noir, Riesling, Chardonnay, Pinot Gris, and Sauvignon Blanc, while learning about the region's limestone soils, long growing season, and winemaking techniques.

Return to Christchurch at approximately 5:00pm, with drop-off back at the Central city tram stop.
